New Churchwarden

At a meeting held on Sunday 24th January 2016, Chris Drake was unanimously elected to become churchwarden of St Mary Magdalene, Duns Tew. We all warmly welcome his election and thank him for agreeing to take up the post.

Lent house groups

In our Lent groups this year we are going to be looking at the stories that the stained glass windows tell in five of our six churches. The March meetings will be on the following Tuesdays: 1, 8 and 15 March. Each session will be held in a different village and we will meet first for a light lunch in someone's house at 1.00pm before moving to the church to look at the windows. The whole thing will finish by 3.00pm. Pick up leaflet in church for more details to follow about venues. There will be a very small charge for lunch and it would be helpful to know who would like to come a week before each session. If you are interested please contact Graeme Arthur or Stephanie Lacey.

These meetings are quite relaxed, you do not have to be a churchgoer to come. If you would like any more information, or would like a lift please contact Graeme Arthur (340510) or Stephanie Lacey (347350)

World Women's Day of Prayer – 7pm, Friday 4th March

Refreshments will be available afterwards.

They are renowned for their humorous stage performances, where linguistic and cultural misunderstandings create a fun light-hearted atmosphere.

Concert in Church - Postponed

The Moonrakers concert scheduled for Saturday 2nd April has had to be postponed to **22nd October 2016**.

Village Harvest Lunch

The PCC would like to thank the Cornerstones very much for their very hard work over the years in organising the Harvest Lunch for older villagers. We feel that it would be such a shame to let this marvellous get-together fade out, so we are very happy to front up the organisation of the lunch from now on. If you are able to help - especially if you're under 60 - do let a PCC member know.

Charity of the Quarter

For February/March/April, the PCC will be collecting donations via the charity plate near the door of the church, to help the work of **Medical/Orphan Project (MOP)** in Zimbabwe. This is a charity that Jo Barton is very involved in.

The Medical/Orphan Project supports a) orphaned children through school in Eastern Zimbabwe, and b) patients suffering with HIV/AIDS, being treated in clinics in Zimbabwe, Botswana, and the Transvaal area of South Africa. Education is the only chance for these children to make something of their already-devastated lives, and helping even a few gives hope for the future. For those in medical need, the provision of care is crucial, and also needs funding.

The Medical/Orphan Project (MOP) of TZABA is supporting 50 youngsters between 5 and 18 years old. TZABA aims to meet their educational fees from Primary to University level. Current annual school fees total US\$60 per year per primary pupil, and US\$1350 senior.

For further information about TZABA and MOP, please visit the website (www.tzaba.org) or visit Jo's JustGiving page: www.justgiving.com/Jo-Barton2.

Polly

Thank you to everyone who continues to donate food and money to help Polly. She is always very grateful.

Reminder: When leaving donated food in the basket in church, please make sure all food is still within its use-by date. **POLLY WILL NOT TAKE OUT-OF-DATE FOOD/DRINKS. I just have to throw it away.**

Polly always needs:

Chocolate, chocolate bars, biscuits, teabags, instant coffee, instant chocolate drink.

Thank you!
