

# *Duns Tew*

## *Newsletter - May 2019*

Now is the month of Maying when merry lads are playing, fa la la la ...

Many of us will have first encountered this song when we were at school.

It's certainly a cheerful little number, reflecting the joy of the time of year. Should you find yourself suddenly inspired to listen to it, there are many renditions available at the click of a mouse!

In church, May brings not so much our fa la la's, as a continuation of the Alleluias of Easter. It's the most joyous time of the Christian year, and this year the whole of May falls within the Easter season. Our focus is on new life and hope, made real for us in the resurrection of our Lord.

An exciting new venture during May is the start of our family services, which we hope will appeal to all generations. These will take place every third Sunday of the month in Duns Tew (and first Sunday of the month in Westcote Barton). We will begin with breakfast in church at 9am, followed by an informal service at 9.30, lasting for about 25 minutes. After this has finished, there will be a Eucharist for all who wish to stay on, starting at around 10.00. Please do come along and join us if you can.

This month, bookended with Bank Holidays and made beautiful through nature all around us, is a favourite for many. I hope it speaks to us of the great themes of God's life in creation, but also of re-creation through the message of Easter.

Best wishes,

Revd Jane Wright.

**CHARITY OF THE QUARTER** For May, June and July the PCC will be collecting donations via the charity plate near the door of the church, to help the work of the Banbury branch of **The Samaritans**. Nationally, The Samaritans receive 600 calls every hour from people who are struggling to cope. For more information please go to: [www.samaritans.org](http://www.samaritans.org). Please give generously.

Last year on 1<sup>st</sup> May we launched the successful '**Books for Duns Tew**' venture in the church meeting room and since then it has gone from strength to strength. 'Books for Duns Tew' is based on the 'Books for London' scheme where we invite you to leave a book that you've enjoyed on the shelves for someone else to read, and take away another book that takes your fancy.

**No joining fee, No charge, No forms to fill in!**

There is a good selection of books, including the latest bestsellers for both adults and children.

The church is open during daylight hours – more or less! When you get inside the church, walk down the aisle and at the bottom turn left to the meeting room where you will find the books.

Do turn the lights on, so that you can see, but please turn them off when you leave.

*This venture is organised by the PCC of St Mary Magdalene Church*

## Share your Memories and Photos The Village School / Village Hall

Many of you already know that our village hall was once the village school, which was purchased for the village after the school was closed in 1968.

The final transfer of the building to the charity set up to administer the hall was completed in January 1970, coming up to 50 years ago.

The Village Hall Committee would like to celebrate this amazing anniversary in January 2020 by bringing together as much historical information as possible about the building, both when it was a school, and since it has become our village hall, but ...

### we need your help!

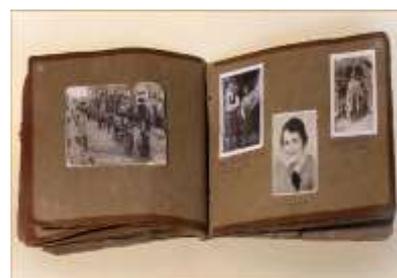

Please search your photo albums, cupboards and drawers for all photos or documents you have about the building that you would be happy to share with others – photos from your school days maybe, or from village and family events held at the hall.

Or perhaps you have memories from attending the village school years ago? We would love to have a chat over a cup of coffee and record some of your memories – or could you write them down for us?

Our aim is to set up an exhibition in the hall next January, and scan any photos/documents/letters to include in this exhibition and also to add a permanent section to the village website.

If you can give/loan any photos or documents about the building, we will take great care of them and return them to you after the exhibition, if you wish.

Thank you!

It's not worth the risk

Do you know that 95% of collisions are due to human error? Distraction, speeding, not wearing a seatbelt and driving under the influence of drink or drugs are the big fatal four on our county's roads. Could you?

- put your phone in your glove compartment or set your phone to do not disturb before you start your journey
- adjust your speed and make sure you have time to react to the unexpected
- make sure everyone is wearing their seatbelt before you set off
- get a taxi, the bus or be the designated driver on a night out
- make sure you're safe to drive the morning after, you could still be over the drink drive limit, even if you feel fine

Oxfordshire County Council Fire and Rescue Service have put together top tips to help you avoid the fatal four, and have created an handy 'don't get caught out the morning after' guide [365alive.co.uk/fatalfour](http://365alive.co.uk/fatalfour).

**HANCOCK Peter John**, sadly passed away peacefully on Friday March 22nd 2019 aged 85 years. The sympathies of the village go to Stuart and Darren, and the family. Pete was a much loved and respected member of the village; driving many of the village school children to and from school.

*Pat Adcock* (nee Bradley) sadly passed away peacefully on Tuesday 26<sup>th</sup> March 2019. Pat had lived her entire life in Duns Tew and was well known to many. Dad, myself and Sally would like to thank all those who attended her funeral in April and for the cards and letters of condolence which we have received. Thank you. Sam
